Modern modular motion.

Astro's wide seating and low back cushions provide ample support and room for you and your guests. Thin armrests and adjustable headrests offer a unique look and added comfort. Short block legs anchor this style and add a bold finish to the low profile of Astra's modern design. A power reclining mechanism lets you change angles effortlessly from an upright to a fully reclined position, and a power button allows you to independently adjust the headrest for custom relaxation.
