Max Cold™ Cover

Made from super cool high-performance fibers for an instant cool-to-the-touch sensation.

UltraCold System™

This premium cooling technology is engineered to work hard at absorbing excess heat from your body while you sleep comfortably.

Carbon Fiber Memory Foam

Carbon fibers embedded in the foam channel heat away from your body and provide exceptional strength for back and neck support.

**1025 iComfort® Hybrid Support™ System
with BestEdge® Foam Encasement**

In this advanced innerspring system, individually wrapped coils work independently to conform to every curve of your body and provide durable support.
