Max Cold™ Cover

Made from super cool high-performance fibers for an instant cool-to-the-touch sensation.

UltraCold System™

This premium cooling technology is engineered to work hard at absorbing excess heat from your body while you sleep comfortably.

Carbon Fiber Memory Foam

Carbon fibers embedded in the foam channel heat away from your body and provide exceptional strength for back and neck support.

Air Support™ Foam

Exclusive air-cushion technology moves with your body and smartly contours around it to help alleviate aches and pains caused by pressure points.

COOLEST iComfort ever!
